

BLACK SWAMP HOSTA AND DAYLILY SOCIETY

The society meets throughout the year principally at the Toledo Botanical Garden. Programs vary from well-known speakers to bus tours, gardening topics to sales of rare and valuable specimens. We have tours of members' gardens, potluck lunches and a dinner meeting. During the summer, we hold a hosta show or a daylily expo to share our love for these cultivars with the public. The BSHDS maintains national display gardens that they helped develop at the Toledo Botanical Garden, and at 577 Foundation in Perrysburg. We are affiliated with the daylily and hosta national societies and urge our 100+members to join one or both.

Membership: Membership Dues: \$10 PER GARDEN each calendar year.
